Violation No. E1430905 Loc. Code A107
STATEMENT OF PROBABLE CAUSE
 (For issuance of an arrest warrant or summons)

I state that on December 31, 2022 while exercising my duties as a law enforcement officer in the District of Arizona in Grand Canyon National Park:

I state that at approximately 1630 hours, I, Officer Emily Hassell, was driving eastbound on Highway 64 near approximately mile marker 262 when I observed tire tracks on the eastbound side leading back into the trees. I turned into NoName Point to safely turn around and noticed two pickup trucks, one black-like in color, filled with wood and covered with red mud. I returned to mile marker 262 and followed the tracks approximately 500 feet into the woods where I observed what appeared to be freshly cut Juniper trees, drag marks, and broken tree pieces littering the ground.

I returned to NoName Point to locate the vehicles; they were no longer present. I located the two vehicles in the Desert View Watchtower Parking Lot and approached the black-like vehicle. I contacted Harold McCabe, who was sitting in the driver's seat, identified him by his Arizona driver's license and verified through dispatch.

I informed McCabe that his tires appeared similar to the tracks left in the snow. I asked where he had obtained the wood in his truck – wood that appeared to be Juniper tree logs. McCabe gave vague answers but eventually noted that the tracks in the snow were from his group and that he had gotten the wood in the park.

Three individuals walked up to and opened the white truck adjacent to McCabe's which was also laden with wood. One of them identified as Gaylin NAKAIDENEH by word of mouth, and I verified him through dispatch.

I issued NAKAIDENEH a U.S. District Court Violation Notice for possessing, destroying, injuring, defacing, removing, digging, or disturbing from its natural state: plants or the parts or products thereof per 36 CFR 2.1(a)(1)(ii).

I recorded the incident with my department-issued body-worn camera.
